The institution employs competent faculty members qualified
accomplish the mission and goals of the institution. When
determining acceptable qualifications of its faculty, an institut
gives primary consideration to the highest earned degree in th
discipline. The institution also considers competence, effectiv
and capacity, including, as appropriate, undergraduate and gra
degrees, related work experiences in the field, professional lic
and certifications, honors and awards, continuous documented
excellence in teaching, or other demonstrated competencies a
achievements that contribute to effective teaching and student
learning outcomes. For all cases, the institution is responsible
justifying and documenting the qualifications of its faculty.
