Fire Alarm Awareness Procedure & Training

The Department of Environmental Health & Safety in conjunction with the Staff Senate and The Tuskegee University Police Department will be conducting announced fire drill training campuswide this semester. The purpose of the announced fire drills is to educate, and make everyone knowledgeable and aware of what to do and where to go when an alarm activates in your building. This training will also enhance the knowledge of the first responders (Tuskegee University Police Department) to insure that everything is being done to protect the lives and property here at Tuskegee University. Informative awareness information is provided below.
